

9th Southeast Meeting on Soft Materials Monday, May 16, 2016

This workshop brings together researchers with an interest in soft materials, fluids, and biophysics to discuss their work and inspire new partnerships. All participants are encouraged to present a Sound Bite. The day will include breakfast, lunch & coffee.

Registration is **FREE**, but required.

Invited Speakers:

William Irvine, University of Chicago (Keynote speaker)

Justin Burton, Emory University

Mark Losego, Georgia Tech

Peter Yunker, Georgia Tech

Location:

Georgia Tech, Scheller College of Business, Room 200

Breakfast starts at 8:30 am. Workshop 9:00 am – 5:30 pm

Registration Deadline: Wednesday, May 11, 2016
